*Ius ad bellum* refers to the international law regulating the resort to force, while *ius in bello* is a synonym for international humanitarian law, and refers to the international law regulating behaviour in war. Today, the use of force between States is prohibited by a peremptory rule of international law: *ius ad bellum* has changed into *ius contra bellum*.

### CASES

Iran, Victim of Cyber warfare [1]

Yemen, Potential Existence and Effects of Naval Blockade [2]

### OUTLINE

Chapter 2, II. The Fundamental distinction between *ius ad bellum* and *ius in bello* [3]
