Ius ad bellum refers to the international law regulating the resort to force, while ius in bello is a synonym for international humanitarian law, and refers to the international law regulating behaviour in war. Today, the use of force between States is prohibited by a peremptory rule of international law: ius ad bellum has changed into ius contra bellum.

### CASES

- Iran, Victim of Cyber warfare [1]
- Yemen, Potential Existence and Effects of Naval Blockade [2]

### OUTLINE

- Chapter 2, II. The Fundamental distinction between Ius ad bellum and Ius in bello [3]
