Acknowledgments

Grateful acknowledgment is made to the following authors and publishers for permission to quote from their work:

While great care has been taken to establish and acknowledge copyright and contact the copyright owners, the authors tender their apologies for any accidental infringement. They would be pleased to come to a suitable arrangement with the rightful owner in each case.

Thanks

The ICRC and the authors would also like to thank the following colleagues, students and staff (by alphabetical order of family names) for their invaluable support in setting up, testing, migrating and updating this platform:
